

There are  
**14.5**  
**million**  
reasons to donate to  
cancer research.

But we're guessing  
you have one of  
your own.

**AACR**

American Association  
for Cancer Research

FINDING CURES TOGETHER<sup>SM</sup>

[AACRFoundation.org](http://AACRFoundation.org)

Almost everyone knows someone with cancer. And thanks to research, there are 14,500,000 cancer survivors today. Your donation helps the 35,000 members of the American Association for Cancer Research continue the work of treating and curing cancer... until every patient is a survivor.

The more we discover **WHY** cancer happens,  
the more we'll know **HOW** to prevent and treat it.

**Please donate today.**
